BENEFITS OF EXHIBITING

Who Attends the WOA Annual Meeting?

The Western Orthopaedic Association's Annual Meeting is the meeting of choice for over 300 orthopaedic surgeons practicing in the western states. DOs and Allied Health Professionals also attend the meeting to stay ahead of the curve in the field of orthopaedics. The WOA provides continuing medical education to those individuals who are on the forefront of both scientific and socioeconomic orthopaedic causes.

Why Choose WOA To Exhibit?

Understanding the importance of our exhibit partners, WOA strives to make sure your exhibiting funds afford you plenty of face-time with our attendees. We believe these connections are as valuable to our attendees as they are to you. Exhibiting with the WOA provides you the benefit of the following:

Personalized Onsite Assistance

The Western Orthopaedic Association (WOA) strives to make your exhibiting experience the best business investment possible. We appreciate your involvement and look forward to partnering with you for many years to come. To ensure a positive experience and productive meeting, we have a dedicated WOA Onsite Coordinator available to assist you with locating doctors and making exhibit arrangements. Friday morning, breakfast is on us and delivered fresh to your booth!

Dedicated Time With The Attendees

Lite continental breakfasts are served in the exhibit hall. We arrange the exhibit hall so that food and beverages are strategically placed to maximize traffic for everyone. Additionally, we have an **Exhibitor Reception**, a two-hour social event with drinks and heavy hors d'oeuvres in the exhibit hall. This event is well attended and usually exceeds the time scheduled because of the positive experience. It's a great setting to develop relationships with the doctors. We have several **breaks each day** and give out prizes valued at approximately \$275 per day in the exhibit hall. Doctors are required to have a card stamped by numerous exhibitors in order to be eligible for the prize. We find that in addition to the general interest in your products and services, the prize is a great incentive to drive traffic to you.

FREE Pre-Meeting Attendee Mailing List

Exhibitors will receive a complimentary pre-registered attendee mailing list when it becomes available before the meeting. You can use the list to promote your products/services in advance and potentially boost traffic at your booth.

FREE Post-Meeting Attendee Mailing List

To assist you in your post-meeting marketing efforts, the WOA will supply, upon request, a FINAL list of registrants which will allow you to conduct follow-up correspondence with registrants via mail.

Attendance at the Scientific Portion of the Meeting

To better prepare and equip your sales force, WOA welcomes and encourages your registered representatives to attend the scientific program portion of the meeting. This will enable your company to gather the most current and relevant information in the orthopaedic field, further build rapport with the attendees, and gain a competitive advantage in the industry.

Acknowledgement in the Scientific Program

Your company will be listed in the Scientific Program along with contact information, website address, and a brief company description.

Each level either includes, or provides a discount on the additional opportunities below. Please see page 4 for a list of all sponsorship levels and the benefits included or the discount available to purchase additional opportunities.

Pre-Meeting Advertising

As a sponsor, you will have the opportunity to include side-advertising for your company in one of the pre-meeting emails sent to every member of the WOA. This is a great way to reach every member of the association, even if they are unable to attend the meeting. Specific sponsor levels also have the ability to run a banner ad on the WOA website, which receives additional traffic as our registrants sign up for the meeting.

Full-page color advertising in the *Journal of Surgical Orthopaedic Advances*

The *Journal of Surgical Orthopaedic Advances* is the official journal of the Western Orthopaedic Association, as well as the Southern Orthopaedic Association and the Eastern Orthopaedic Association. With a distribution to over 4,000 orthopaedic surgeons nationwide, this opportunity provides the ability to reach a wide audience.
